

Engage and inspire communities in Dacorum and beyond using heritage collections

Collections

Maximising the potential of the collections

Collections development policy

Consult upon and finalise storage policies with societies

Finalise an Emergency Plan

Identify 'Treasures of Dacorum' in collection

Maintain standard of collections

Communities

Realise the potential of our communities

Mapping Audiences

- Who they are
- What are their needs and priorities
- Where these communities are

Maintaining

- Making the most of existing outreach services
- Building relationships with existing audiences / partnerships

Review Charging Policy

Sustainability

Secure the future of Dacorum's heritage

Property

- Complete feasibility study for a Heritage Centre
- Resolve lease arrangement
- Short-term work to the Museum Store

Finance

- Resolution of Service-Level Agreement
- Secure 2023 bridging funding

People

- Increase Board capability
- Take stock of volunteers

IT

Develop IT capability and an IT Strategy

Secure renewal of museum accreditation

Actively inclusive

Forward thinking

Openly courageous

Community centred

Authentically collaborative

Respectful of our heritage
