Strategic Plan

31st March 2025 – 31st March 2027

Dacorum Heritage

Engage and inspire communities in Dacorum and beyond using heritage collections

Collections

Maximising the potential of the collections

Understand the Collection's content

Understand the Collection's significance

- Delivery of full cataloguing and condition review of the collection, in preparation for major site move

Deliver policies and procedures that protect and manage the Collection in line with accreditation standards

- Delivery of actions from the new Collections Review Group

Communities

Realise the potential of our communities

Refine Engagement Offer

Develop core services:

- Pilot DH's long term strategic aims in a series of community outreach activities
- Review public engagement programme
- Expand volunteering programme
- Develop social media strategy, in collaboration with Local History Societies

Build Lasting Relationships

- Pilot outreach activities on DH's long term strategic aims in collaboration with Local History Societies
- Network with peers in the sector locally

Sustainability

Secure the future of Dacorum's heritage

Property

- New Project Manager for site relocation to scope large capital project
- Engagement with DBC on site location

Finance

- Refine funding proposals for capital project

People

- Trustee succession planning
- Review of organisational structure in anticipation of site move

IT

- Secure external expertise to create data management strategy and procedure
